OUR STANCE ON MODERN SLAVERY HUMAN TRAFFICKING

We are committed to ensuring that there is no modern slavery or human trafficking in any part of our business or across our supply chains. We are committed to acting ethically and with integrity in all our business relationships and have implemented measures and controls to ensure this is upheld.

AWARENESS

We have raised the awareness and informed our employees in relation to these issues. All new employees are educated on the Act through the induction process and their role in terms of identifying any potential breaches. Employees can raise any concerns internally or via our whistleblowing policy.

SUPPLY CHAIN COMPLIANCE

Fraikin Ltd is committed to ensuring that there is no modern slavery or human trafficking in our supply chain or in any other part of our business. We have a zero-tolerance stance towards modern slavery and human trafficking. To ensure that all participants in our supply chain respect our values, we operate in accordance with the principles of responsible sourcing, particularly with regard to the Supplier onboarding process.

DUE DILIGENCE

We monitor our suppliers through regular meetings and annual audit reviews, where we will confirm their commitment to ensuring their business is free of slavery. Our compliance team strives to ensure that these principles are observed through the audit process.
